It was very exciting to receive notification last Friday that the School and the P & C Committee have been successful in their bid to secure a grant of \$34,897.00 from the Veolia Mulwaree Trust for the completion of the "Creative Room" in the school premises.

With the start of the paperwork and attendance at a special presentation on 25th, September in Goulburn, we are all systems go.

This is all due to the great work of the "Project Team" that put the submission together. It took many hours with lots of running around, collecting information and getting quotes. Special thanks to you all.

We look forward to many years of great cooking, experiments, arts and crafts and community involvement. Let the fun begin!

Regards,  
P & C Committee
