## K-1-2 KIRRALONG ROOM

This week we have been learning about different addition strategies. We can use our numberline, use the counting-on method, use counters, draw pictures and write algorithms with more difficult additions. We all solve problems in different ways to find answers in mathematics.

The Premier's Reading Challenge is almost closing and in K-1-2 we have nearly finished reading our 30 books. We liked reading about Melu the Mule who went clop-clip when all the other mules went clip-clop. This book was all about being different and we enjoyed reading it a few times.

There have been lots of sick children this week - 'get well soon' and best wishes for speedy recoveries.

**Tanya's Drama Group** is going really well, with many entries into the Goulburn Eisteddfod. Well done, children, great effort.

**One small glitch** - only 1 student has paid the \$20.00 which is to be donated to the P & C. It would be appreciated if parents could send this payment to school where it will be banked for the P & C. We thank Tanya for her time and the skills she is passing on to the children.
