## 3-4-5-6 - CURROBUNG CLASS ROOM

Years 3-4-5-6 have been learning all about early Australian history this week. We have been discussing what it was like to be a convict and thinking about the conflict between Aboriginal people and European settlers. We have been doing art with coloured inks, using our handprints.

On our classroom wall is a display of maths concepts that we are learning or have already mastered. Students were surprised at how many concepts they already knew. We will be concentrating on times tables again this term, as they are crucial for our maths progress.

**Anyone who took costumes etc. home from the play or the Goulburn Eisteddfod, could you please return them to school for safe keeping. Thank you, it will be much appreciated.**

**P & C NEWS**

Thanks to all who attended the P & C and Small School Sports Meetings last night. The Election fundraiser was a great success as was the raffle at the Lion King. Due to the P & C's fundraising success we have decided to fund the cost of Zumba this term. In association with the school, the P & C are also funding the cost of swimming lessons. This will provide considerable savings to parents.

The next meeting of the P & C is the AGM and it will be held on Wednesday, 9th November commencing at 6:00 pm (due to daylight saving). All welcome.

The Small School Sport's Working Bee will be held on Thursday, 27th October, 2016 at the show-ground. All welcome. We will also need parent helpers on the day to help with the running of events. Please keep Friday, 28th October free.
