WEEK 4 TERM 2

19th May, 2016

Principal's Message

Dear Parents & families,

Our School Fair is on Friday, 20th May - "Walk Safely to School Day," with lots to see and do! The students have been earning their tokens, through our Positive Behaviour for Learning System:

1. Be a Learner
2. Be Respectful
3. Be Safe

Tomorrow we have "mufti day" - nice casual - ready for the Fair, and remember to wear joggers/runners as tennis lessons are on.

They are so excited, for the activities at the fair like the jumping castle, face painting, hair and nail stand, footy throwing, chocolate wheel, BBQ sausages, lamb & gravy rolls, our spotted quoll campaign stall, fairy floss, balloon animals, pony rides and show bags. So come along, bring your friends and kids!!

Congratulations to Harry Tabner and Nash Green who made it through to the Regional Athletics Carnival on Friday, 2nd September, 2016.

On Tuesday, some students have speech/drama with Tanya. The cost is \$20.00 per student, payable at the school office for the P & C. Tanya asks that you practise 5 or 10 minutes 3 nights per week.

Mrs Kerr attended Professional Learning this week attending a gymnastics workshop on Tuesday and a Beginners Teachers Course on Wednesday. She will come back inspired with great ideas for her students.

Please wear **"PURPLE"** for MPS and Beau on Wednesday, 25th May and bring a gold coin or a donation to MPS.

Regards,

Liza Duncan

3-4-5-6 CURROBUNG CLASS ROOM

The Currobung Room students have been busy exploring different techniques in artmaking with our design and construction in fibre materials of our spotted quolls.

We have used a variety of different textured materials and many different construction techniques including gluing, hand sewing and machine sewing. Please come and see our creations at the Fair.

We have tried to make them as professional as possible! Our aim is to make the spotted quoll as cute as the koala or bilby to help conserve the species in our area.

Look for the different fun facts on each spotted quoll.

P & C NEWS

Your P & C

The mouse chase

Once a mouse was inside a house and he saw a cat. He didn't want to wake the cat up. He scampered up a table and slipped on a piece of paper. The mouse landed with a thud and woke up the cat! The cat chased the mouse. The mouse hid in a vase until the cat broke open the vase then the mouse accidentally ran into a corner. The mouse slid under the cat and ran into its mouse hole and stayed until the cat went back to sleep. *Cameron 18.5.16*

Regan received his Bronze Dollarmite Certificate for 10 deposits this year.

The children receive great rewards and learn to save which is one of life's great lessons.

THE OFFICE CORNER:

Did you leave an umbrella at the Assembly a couple of weeks ago? If so, we have kept it safe in the office foyer. Please come and collect it.

COME ONE, COME ALL - TO THE TARALGA PUBLIC SCHOOL FAIR - TOMORROW --- it will be great fun for everyone and will showcase our wonderful school.

We are missing some aprons from the kitchen - if some kind person took them to wash and put them in a safe place, could you let us know, please? We really need them when we cook. Thank you.
