MILO Cricket begins this Friday, 29th July with Garry Mortimer. The students are looking forward to sport. Tennis will be on Monday, please remember racquets, this is dependent on the weather.

Kinder Start begins on Monday, 1st August, we are excited to be introducing our Kindergarten 2017 to our school.

Jeans for Genes Day is on Friday, 5th August. Please support this charity by wearing your jeans and a bring a gold coin donation.

As part of our Personal Development Program, the students will be participating in "Clear Minded for Life" Meditation, Breathwork and Focus for Children. (See item in this newsletter). 3-4-5-6 CURROBUNG CLASS ROOM

The Currobung Room are becoming immersed in the 'Lion King Kids Experience.' We are exploring the characters, the plot and the ideas behind the Lion King. We have discovered there are many different conflicts between the main characters. Luckily it is all resolved happily at the end.

The main parts of the 'Lion King Kids Experience' have been given out. We are working on learning the songs and getting to know our lines. It should be a wonderful adventure.

P & C NEWS

Time to spend...and we want your help! After a few successful fundraising events, the P & C would like to hear from the school community about the things you would like to see us contribute funds towards.

Please come along to the next **P & C Meeting on Wednesday, 10th August at 5:30 pm** to provide input, or pass your thoughts on to any member of the P & C - we would love to hear your ideas. Everyone is welcome to attend.

Your P & C.

CLEAR MINDED FOR LIFE

Meditation, Breathwork & Focus
for children of all ages

Clear Minded For Life is a **non-profit foundation** designed to bring clarity and focus to children in classrooms everywhere.

Our Mission

To empower children to know they can calm their mind so they can adjust their thinking and change their reality to reflect joy, confidence & love.

How This Technique Works and How it Differs From What We Know To Be 'Meditation'?

The Clear Minded for Life technique engages methodology that opens the aperture for learning so that children are more focused, they experience an increase in their attention span and an ability to comprehend and learn more easily.

Within 15 minutes of commencing a session, the children are connecting with their inner knowing and displaying calm.

They acquire tools to use at home or at school and learn strategies for leaving stress behind.

They also learn to engage love, kindness, confidence, tolerance and resilience in their everyday outlook.

Mr Laurie Connery, Principal School Leader, working with Ms Duncan on the School Plan.

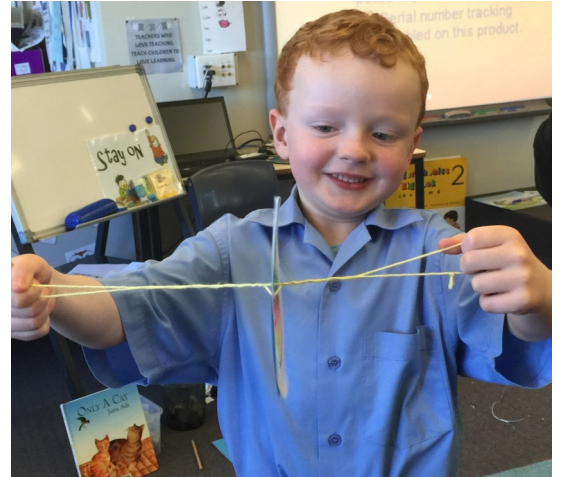

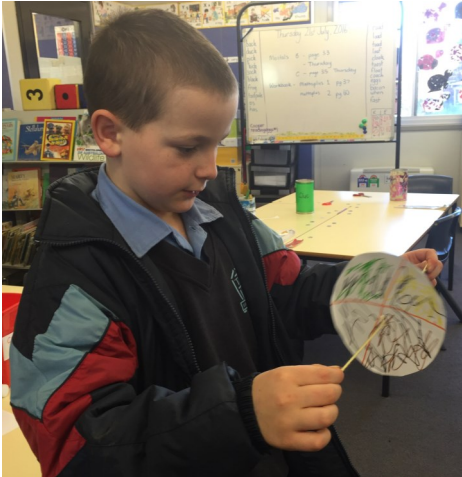

There is so much more to school planning that goes on behind the scenes, so the school is managed efficiently for the benefit of all students.

THE OFFICE CORNER:

The CWA Presentation was a great success. Mrs Dymock's guided tour of Mongolia was fantastic and very interesting and I'm sure everyone came away with a greater knowledge of the country. There is no doubt - we live in the lucky country.

Attention - Year 6 students - are you going to Crookwell High School in 2017? If so, Crookwell High School will be hosting Yr6 to 7 Taster Days on Wednesday, 10th August, Wednesday, 24th August and Monday, 5th September from 9:00 - 11:15 a.m. Students will then return to school. Parents will need to provide transport both ways. Any questions please phone Principal, Brian Hudson - 48321421.
