WEEK 4 TERM 3

11th August, 2016

## Principal's Message

Dear Parents & Families,

Thank you to those who attended the P & C Meeting on Wednesday night. The P & C balance is very healthy thanks to the dedication and commitment of our P & C and their helpers. Well done to you!!

Friday sport day students are thoroughly enjoying developing their cricket skills with Garry Mortimer. Hockey coaching begins on Friday, 26th August. Megan has asked students to have a mouthguard and shin pads. Thank you.

Students are using their "Clear Minded for Life" sessions in the playground. We thank Anya Perry for her guidance in these sessions.

Thank you for supporting Jeans for Genes Day. We raised \$58.00 for this very worthwhile charity. Well done!!

Congratulations to past students : Lewis Golding & Jem Green were part of the Mulwaree Cross Country U15 team that won a State Gold Medal at the recent State Carnival. Lewis also won the 1500m so will compete in this event at State. We also believe that Thomas Menzies has gone through to State as well. Well done!!!

Kinder Start students made pizza with Ms Duncan on Monday. They are happy and ready to do activities at school like counting, reading big books, singing and dancing. We look forward to next Monday - all prospective 2017 Kindergarten children are welcome to attend.

Today our students used the Bunduluk Room to make pizza. We made the dough and put our favourite topping on. They were delicious.

If you would like your child to be assessed by the School Counsellor, please ask for a Referral form from our office. Some of our student's forms need to be renewed so we ask you to return them to school as soon as possible. A form is attached for those children on the School Counsellor's list.

*We have noticed some children with chewing gum and lollies at school. We try to promote a healthy lifestyle, so please help us by not giving your child gum or lollies. Thank you.*

**Claiming the date: Small Schools Sports Carnival - Friday, 28th October, 2016.**

Regards,

Liza Duncan

## 3-4-5-6 CURROBUNG CLASS ROOM

3-4-5-6 have had a busy week. We had our last make-up tennis session on Monday. Thanks to Steve Erwin for being a great coach.

We have been learning about the Olympics and have made a model of Vinicius, the Olympic Mascot.

The school play - "The Lion King" will be performed on Tuesday, 20th September as a Matinee and Wednesday, 21st September at 7:00 pm. All students have a role in the play. If your child cannot attend on these days, please notify the school as soon as possible, as alternate arrangements will need to be made for their role. Notes about costumes will go out next week.

## P & C NEWS

Thank you to those who attended our P & C Meeting on Wednesday night. The members present agreed to spend some of the money we have raised on:

- Paying for all coaching costs for hockey - coming up in Term 3
- Purchasing all ingredients for cooking classes
- Making a significant contribution to the cost of Year 6 jackets
- Contributing to the cost of the (expensive) sound system and other costs associated with our production of "The Lion King"
- A special African lunch, to extend student's understanding of "The Lion King" and African culture.

We are waiting on more information and quotes from other sources to identify other areas we can support. It is only with your help at our fundraising events that we can help keep costs low or free of charge for all families. With your continued support of P & C events, we can pay for activities which the children enjoy and enhance their education.

We always need extra help though! So please join in this great small school community - it will benefit all of our children.
