3-4-5-6 - CURROBUNG CLASS ROOM

Well done to the whole school for their wonderful performances in the Lion King! We were very proud of the students' talent, enthusiasm and hard work. They always enjoy the performance and presenting the show to their families. This year was a particularly complex show, with solo singing, speeches during musical interludes, dancing and even some special effects!! The students carried it off beautifully.

Thanks to the P & C for the wonderful decorations, supper and for the thoughtful presents they gave to staff after the show.

Thanks always to Rob Kane, who makes us look and sound good. We couldn't do the show without his good humour and expertise.

Anyone who took costumes etc. home from the play, could you please return them to school for safe keeping. Thank you, it will be much appreciated.

Our Unseen “Stars”

Our students were enthralled with the performance by Telopea Park School, Canberra. It was an amazing performance by a group of very talented musicians. We thank them for visiting our school.
