Wed	Kid's Club
Fri	SPORT
Tues	Gymnastics will return after Swim School
Mon 13 to Fri 24 Nov	Intensive Swimming School

WEEK 6 TERM 4

16th November, 2017

Principal's Message

Dear Families & Friends,

Please note: there will be no Assembly during swimming lessons. Next Assembly - Monday, 27th November, 2017.

Swim School is going great. Our older students are looking after our little students. We are developing water confidence. Congratulations to Logan who was so proud of himself for putting his face underwater for the first time! Thanks to our instructors - Sue, Mr Leighton-Daley and Kylie.

Remember to come along to the P & C Trivia Night at Taralga Sports Club on Saturday, 25th November - all money raised supports your children at Taralga Public School.

Thank you to the Deloitte Team who came on Friday, 10th November. They did a fantastic job of beautifying our school and doing odd jobs, oiling the equipment, painting the panels and planting a tree. Thank you for all your help, we look forward to your visit each year.

Kind Regards,

Liza Duncan ☺
 Principal

Kelvin, the leader of the team, assisting the children to plant a new tree for our playground.

Celebrating Success

Be a Learner	Be Respectful	Be Safe
<p>Pippa Bell Jacob Corby Lillyann Cummins Regan Martin Tom Sheridan</p>		

Quincy Quoll Says:

Be Safe Around Water

- *Never swim alone*
- *Children must be supervised by an adult*
- *Always enter the water safely*

HAPPY BIRTHDAY.....To those students & staff celebrating their birthday in NOVEMBER 15th - Cayden

K-1-2 KIRRALONG CLASS ROOM

The Kirralong Room students had a fantastic time last week visiting Healthy Harold in the Life Education Van. The students learnt about "How to be Safe" in various situations and "How to be a good friend."

We are continuing on with our Dreamtime Stories, talking about "Dunbi The Owl" and comparing this story to the story of "Noah's Ark." We created a beautiful retell of the story, with each child creating their own artwork of their favourite part of "Dunbi." They then typed up a sentence on the computer and printed it out to coincide with their picture.

In Maths we revised length, with the children starting to measure using a paper ruler.

Swim School started this week and everyone is having a fantastic time learning about water safety and how to swim.

We are also discussing different celebrations that happen throughout the year, and why we celebrate these special occasions.

P & C NEWS

TRIVIA NIGHT - What year did the Berlin Wall fall? Who was Australia's first Olympian? What percentage of the Earth's surface is covered by water?

If you're planning to come to the P & C Trivia Night on Saturday, 25th November, please buy your tickets now! Numbers need to be given to Lisa at the Club for catering purposes, so to avoid missing out, please make your way to the School Office or the Ploughman Café with your \$35.00 ready!

Remember, your ticket will get you a drink on arrival, dinner, supper and a great night of trivia! Make up a table of 10, or come along and join one on the night. It's our last event for the year, so let's make it a great one!

Please call Jac - 0409 949 736 or Karla - 0429 123 935 for more information.

Your P & C

Our students have been creating some beautiful artwork using the technique called "marbling" - this is Lilly's effort - very pretty!!! ↑

Another very impressive piece of artwork!!!

THE OFFICE CORNER:

We are not offering Book Club this month as Book Fair will be at school SOON!!!!

OUR SCHOOL IN PHOTOS

Our students
enjoying the
swimming
lessons, water
safety and the
joys of playing
in the water
safely!!
