We have been very busy in the Currobung Room in the last weeks of school. Thank you to Mrs Karla Calleja who made candles with Years 5-6. the students were thrilled with their creations and we appreciate you volunteering your time.

We have been learning about Aboriginal Science and Technology, including ochre, spinifex resin and fish traps. We have been painting some beautiful artwork using techniques found in Aboriginal Art eg: cross-hatching, dot painting and x-ray perspective.

Our classroom is looking very festive with all our Christmas decorations. Feel free to come and visit the classroom to see your child's work.
