We need all money and notes to the office by Wednesday, 4th July, 2018, please.

Bigga P & C have lunch to purchase at a small additional cost. We will notify you when this is confirmed. This will be a separate payment before the holidays.

Thank you to Kellogg's who are sponsoring our "Breakfast Club." We are looking forward to receiving our packages.

K-1-2 KIRRALONG CLASS ROOM

The Kirralong Room students have had an exciting couple of weeks. We have been busy with soccer and ukulele and in Science we have been discussing the changes that happen when heat is applied to different items. We started off with cooked spaghetti and we discussed the properties of the cooked spaghetti. We observed that we didn't need to use glue to stick the spaghetti on, because when it is cooled, it is sticky and stuck on the paper itself.

This week the class formed groups and together built a "spaghetti tower," using raw spaghetti and marshmallows. The teams worked well together and made some interesting towers.

The students have also been working hard collecting their "superhero" credits, with most students earning their "Golden Ticket" so they can attend their end of term reward. Keep up the great work, K-1-2.

WALL OF FAME

Congratulations to Tom Sheridan who has achieved his 5th Certificate of Commendation - 15 Honour Ribbons and 150 Progress Awards.

What a great effort, keep up the good work, Tom.

Well done to
