### K-1-2 KIRRALONG CLASS ROOM

The Kirralong Class Room is looking forward to a busy and productive Term 3. In Literacy we have started reading some "Frog and Toad" stories and we are completing frog and toad activities too, to coincide with our school play.

In Numeracy, we have been revising some addition and subtraction strategies. This term in Geography, the students have formed groups and are going to be designing their own zoo. They will be deciding which animals they are going to have in their zoo and will research how to look after them.
