WEEK 1 TERM 4

18th October, 2018

Principal's Message

Dear Families & Friends,

Next Assembly - **TOMORROW**, Friday, 19th October, 2018 - 2:30 pm everyone welcome.

Welcome to Term 4. Already we are jam packed, starting with photos today plus Crookwell High School mentors visiting Years 3-6, gymnastics 9:30 am and Assembly tomorrow at 2:30 pm. Please note Assembly day/time has changed for this term as a trial.

The next P & C Meeting will be on Thursday, 25th October at 6:00 pm in the Library. Please note change of day. The Small Schools Sports Carnival will be discussed - claiming the date - Friday, 9th November.

We welcome Tanya Creer for computer lessons for some students. We enjoy Tanya's lessons and her expertise in this field. Discussion on digital footprints and coding were part of the first session.

Years 2 -6 are going to Laggan Public School to make a "magical beast sculpture" with local ceramic artist, Ian Jones. This excursion is on Thursday, 25th October. Please return the permission note and money by Monday, 22nd October. On this day, Years 3-6 will also have a visit from the wind farm people.

On Friday, 26th October, K - 6 will visit the local wind farm as part of Years 3 - 6 STEM project. Please sign the permission note and return to school by Wednesday, 24th October - there is no charge for this excursion, Crookwell High School will pay for the bus to transport our students.

Some "housekeeping" - Wednesday is Library day; Tuesday - NO lunch orders; Friday - Gymnastics - 9:30 am; Assembly - 2:30 pm.

Monday - Friday - if your child's home time arrangements change, please let the school know. The teachers do check the answering machine for messages if Mrs Menzies is not in the office. Thank you for your cooperation.

Kind Regards,

Liza Duncan ☺
Principal

Celebrating Success - Week 9

Be a Learner	Be Respectful	Be Safe
 	 <p>Give respect Get respect</p>	

Quincy Quoll Says:

Be a Learner:

- ♦ Have your learning materials ready;
- ♦ Listen to your teachers;
- ♦ Try your best.

Happy Birthday to you in October -

Seth - 10th

3-4-5-6 CURROBUNG CLASSROOM

We have started Term 4 with a busy week. This term we are concentrating on our STEM projects and building our sustainable rural houses. We have completed our plans and are now in the process of building our models.

Today we welcomed the Crookwell High School Mentors to our classroom to assist us. Thanks to all students and parents who have brought in materials to build our models.

We are also studying electricity and magnetism this term and we are looking forward to our visit to the Taralga Wind Farm next week.

P & C NEWS

The P & C will be meeting next Thursday, 25th October in the Library at 6:00 pm. Please come along to hear about things planned at your school and to have your say. We'd love to see you there.

What animal species has their baby known as a farrow?

The P & C Trivia Night is coming back!! Block off Saturday, 24th November at the Taralga Sports Club. Tables of 8 - 10, or come on your own and join a table for the night.

Tickets are \$35.00 each, which includes a night of fun trivia, dinner, dessert, a drink on arrival and you chance to win lots of awesome prizes! We hope you can join us for what we hope will be a fun way to end the school year.

The P & C are also seeking donations of goods which can be used as prizes on the night. If you or your business is able to contribute something, big or small, please contact Jac or Karla, or leave it at the school office.

The Trivia Night is a major fundraiser for the P & C and we're hoping, with your support, to make it another successful night.

Our students thoroughly enjoyed their visit to the Taralga Wild Life Park.

THE OFFICE CORNER:

Thank you for your support, we raised \$40.00 on Footy Colours Day - every little bit helps.

There is NO Kid's Club or Guitar until Week 2, Term 4 - we hope Rev. Sallyanne has a speedy recovery.
