Fri 14-12	2019 Captains Speeches
Mon 17-12	Year 6 Dinner
Tues 18-12	Presentation Night

WEEK 7 TERM 4

29th November, 2018

Principal's Message

Dear Families & Friends,

Next Assembly - Friday, 30th November, 2018 - 2:30 pm everyone welcome.

Thank you to our fantastic P & C for organising a great and fun Trivia Night. Well done to you!! So many fantastic prizes from local businesses. Lots of \$\$\$ raised for our students so thank you to everyone who supported the Trivia Night.

Thank you to Years 3-4-5-6 for being on time for their excursion yesterday. The University Newcastle Roadshow was part of the students' STEM learning. We thank Mr Ken Leach who let us visit his sustainable Yurt at Laggan. It was great to see the adaptations he has made to his house.

Students can buy 1 treat at the pool tomorrow as a celebration of their swim lessons. \$2.00 - \$4.00 cost.

Parents need to notify the school of home time arrangements and it is a courtesy to notify the bus drivers of changes. Sarah is available for after-school care most afternoons with Lisa on Thursday. Please contact the school if you would like thier phone details.

Kind Regards,

Liza Duncan 😊
Principal

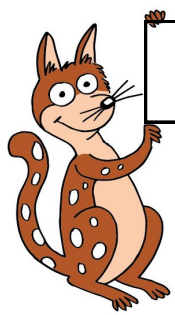

BELOW - Cameron is amazed at the robot.

RIGHT - Bridie going well - back sculling in the pool.

Celebrating Success - Week 6

Be a Learner	Be Respectful	Be Safe

Quincy Quoll Says:

Be a Learner:

- ◆ Ask questions;
- ◆ Listen to the answers;
- ◆ Think about your opinion.

Happy Birthday to you in November-

Cayden - 15th

3-4-5-6 CURROBUNG CLASSROOM

The Currobung room students have had a busy week. We have been improving our swimming in the mornings and looking at maps and doing maths in the afternoons.

On Wednesday we had a very interesting day. We visited Crookwell Public School for the University of Newcastle's Science Shows. The first one was all about sustainability and electricity and was very relevant to our ShowCASE project.

The second show was all about robots. The students were enthralled to see a robot that could solve a Rubics Cube in 1 minute 26 seconds.

After the shows we went to visit Ken Leach's wonderful sustainable house. It was two yurts joined together and the students thought it was awesome. Thank you to Ken for being so welcoming.

P & C NEWS

What is the oldest recorded age of a tortoise? 225 years

Congratulations to the "Glitter" team for winning this year's Trivia Night - by 1.5 points - a very slender margin.

P & C AGM - The P & C AGM will be held on Wednesday, 12th December at 6:00 pm in the school library. All positions in the P & C will be up for nomination - everyone is welcome to come along and join in.

"MAGICAL BEAST SCULPTURES" - Earlier this Term, Years 2-6 were invited to Laggan Public School to make a "magical beast sculpture" with local ceramic artist, Ian Jones.

These are now on display at the Crookwell Library for 2 weeks. It sure would be worth a trip to Crookwell to see these sculptures.

THE OFFICE CORNER:

BOOK FAIR: This year's Book Fair will run from Friday, 30th (after Assembly) until Wednesday, 12th December. It's great for Christmas gifts. Some great books available.

Our team, "School's Out," came a creditable equal second at the Trivia Night. It really was a great night with fun and games as well as the trivia.
