Congratulations to our fantastic, supportive P & C who have received a Veolia Mulwaree Trust Grant for \$22,426 for an "Active Adventure Area" - new playground equipment!! Woohoo! The students are super excited and can't wait to see what we get.

Kind Regards,

3-4-5-6 CURROBUNG CLASSROOM

Thanks to the students who came to school on the "snow day." You were very well behaved and worked hard all day. The snowball throwing was fun too!!

The Currobung Room students have been working hard this week on their literacy activities. Mrs Twigg and I have been off class one day this week carrying out Quality Teaching Rounds, where we observe another teacher on class. This is a very rewarding process which improves our practice. Mr Stephens and Mrs Rowe have taken our classes and always continue our normal routine, so that students are not disrupted.

Don't forget to bring your tennis racquets tomorrow for tennis (weather permitting).

**THE OFFICE CORNER:**

It would be appreciated if those families who haven't paid for the book packs, Mathletics and Reading Eggs could do so before the end of Term 2—thank you.
