8th August, 2019

## Principal's Message

Dear Families & Friends,

Our next Assembly is on Monday, 12th August, 2019—all families welcome.

Thank you to the parents who assisted at the District Athletics Carnival to help our students get to their events. Well done to the students who all did their best at the carnival. Students will be notified if they are to go to the Regional Athletics Carnival. Congratulations to our Relay Team—Hannah, Lulu, Lilly and Milly—a super effort.

The STEM Excursion for COWS will be on Wednesday, 14th August for Years 3-6; Touch Footy Gala Day in Goulburn on Thursday, 15th August and STEM Excursion at Crookwell on Monday, 19th August. Reminder notes are attached to this Newsletter for those who have yet to return them.

I have been asked to relieve at Goulburn South Public School from Monday, 12th August until Tuesday, 24th September while Mrs Ann Patchett is on leave. Ms Grahame will step into my role and Mrs Rowe will have some extra days on class.

The students are enjoying Rugby with Lachie from the Brumbies. He is impressed at how well behaved our students are and always trying their best. Their skills at passing and kicking are improving. Nick came today & said, "These kids are the best I have ever coached."

Tomorrow, Friday, 9th August is Jeans for Genes Day. Please wear your jeans & sports shoes for this worthwhile Charity. A donation of \$\$\$\$ gold coins would be greatly appreciated. Thank you.

Kind Regards,

Liza Duncan ☺  
Principal

Our triumphant P5 Relay Team—Milly, Lulu, Hannah & Lilly—  
Congratulations!!!!

**K-1-2 KIRRALONG CLASS ROOM**

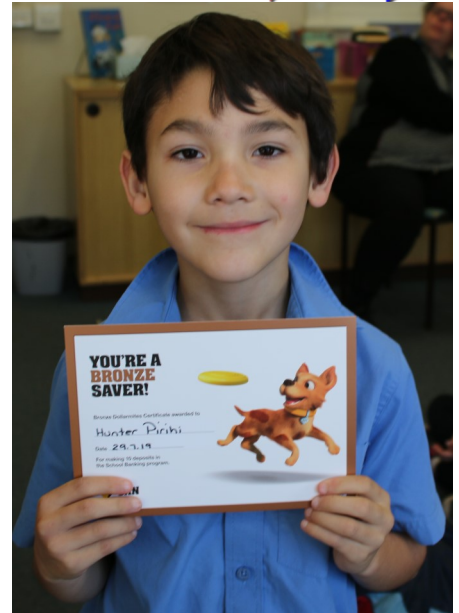

The Kirralong Room students have been enjoying listening to Dr Seuss books: we have studied “Green Eggs and Ham” with Kindy and Year 1 writing about where they would like to eat “Green Eggs and Ham.” Then everyone had a fantastic time creating a collage of places they would eat them.

We have also read “Oh, The Places You’ll Go!” We discussed what they would like to do when they are older and places they would like to go. We are all looking forward to making our paper mache “hot air balloons.”

In History this term, we are talking about the past, present and the future. We have brain-stormed some events that have happened in our lives, what is happening and what might happen in the future.
