## Principal's Message

Dear Families & Friends,

Please note, there will be NO ASSEMBLY next Monday, 19th August, as Years 3-6 will be leaving at 8:30 am to go to the STEM Excursion at Crookwell High School. Next Assembly will be on Monday, 26th August—everyone is welcome.

On Monday, we also welcome a Pre-service teacher—Mr Sprague. He will be on the senior class for 3 weeks.

Please find attached to your Newsletter some information about Crunch & Sip and an Australian Guide to Healthy Eating magnet. They have some great ideas you can use. Thank you to Mrs Calleja for providing them.

Thank you for supporting our "Jeans for Genes" Day. Our school raised \$41.30 for this very worthwhile charity.

Kind Regards,

Martha Grahame  
Relieving Principal

Pip, Cayden & Larry  
with Josie & Seb,  
display their artwork  
from the recent trip

### 3-4-5-6 CURROBUNG CLASS ROOM

Years 3-6 are having a busy week. We enjoyed our STEM activities at Crookwell Public School. We learnt all about fit bits and their use in agriculture. We had fun pretending to be cows being chased. We also learnt about the sugar content of different fruits, using a refractometer. We discovered that a lemon has more sugar than a strawberry!!!

Today we are at our Touch Footy Gala Day, where we are playing against lots of different schools from the area. We should have a great day.

#### THE OFFICE CORNER:

I would really like to know if a lemon has more sugar than a strawberry, why is it so sour?

Attached to this Newsletter is all the information for the Years 5-6 Camp at Berry.

Please complete the Medical/Consent form online and a reminder that payment is due in full by 9th September, 2019.
