Principal's Message

Dear Families & Friends,

Congratulations to Lilly Bell who is the fifth recipient of the School's Blue Banner Award. Well done, Lilly.

Students are enjoying the School's purchase of new sporting equipment. We are having a great time using it.

Thank you to all who are following the Covid-19 guidelines, sending happy, healthy children to school. If your child is unwell, please keep them at home. If your child is absent for two days, please contact the school to notify the School of their absence.

Attendance at school has a big impact on longer learning outcomes for children. When a child is not at school, they miss important opportunities to learn, build friendships and develop their skills through play. Regular attendance at school is a shared responsibility between schools and parents. By working together, we can have a positive effect on supporting our children to regularly attend school.

Kind Regards,

Liza Duncan
Principal 😊

K-1-2 KIRRALONG CLASS ROOM

The Kirralong Room students have been busy feeding the birds. We made our "toilet paper roll" feeder and hung them on various trees for the birds. They have now started making their big bird feeders.

In art with Mrs Rowe, they discussed different birds and they decorated their own bird pictures with feathers.

In singing we are learning the song, "I Can Sing a Rainbow." The children love to sing this song and they are learning to sing the song in Auslan. To compliment this song, the students drew and painted a picture of a Rainbow Seashell.

We have also been enjoying the new basketballs and handballs, playing with them at recess and lunch.

AWARD OF EXCELLENCE

As per our front page - huge congratulations to Lilly Bell for achieving the School's Blue Banner.

Your efforts are a credit to you and we are all very proud. Keep up the good work.

DENTAL CHECKUP AT OUR SCHOOL

We have been advised that dental checks may not continue in 2020 due to COVID 19. All parents/carers are encouraged to arrange a dental check-up for their children. You may consider the following options:

1. Call the Goulburn Dental clinic on 180 450 056. Please note at this stage we do have a waiting list.
2. Contact your family dentist.
3. Check if you can use your private health insurance with a local private dentist.
4. Medicare Child Dental Benefits Scheme - your child may be eligible and this may allow for routine treatment at a local private dentist.

THE OFFICE CORNER:

Student banking will resume in Term 3 --- soooooooooooooo -- all our little banking people, you may start saving and earning rewards again.

To assist us with future enrolments, if you have a little person still at home, would you be kind enough to advise the School of his/her enrolling year? This will also help with co-ordinating Kindy Start each year.
