Principal's Message

Dear Families & Friends,

Thanks to Jo from Orchard Street Gallery for our 'Handimals' Workshop on Monday. The students were so creative and so happy with their 'Handimals' - see our Facebook post!

Tennis has been fantastic with Dave & Corey. The students are having a great time improving their skills. Thanks to the Taralga Tennis Committee for letting us utilise the community courts - see our Facebook post!

The school uses Facebook to showcase all of the great opportunities that we offer and the students' experiences.

We thank all the families who send their children to Taralga Public School. However, in order to keep our great staff and resources we need Taralga families to send their children to Taralga Public School. Please enrol your child at Taralga. Come and visit and see what our local school can offer.

Next week Ms Grahame will be Relieving Principal as I have a melanoma operation in Sydney. Please get your skin checked regularly!

Thank you to all who support our 'Return and Earn'. Taralga Sports Club will now be helping the school, thanks to Paul Sharman, by giving us their 'Return & Earn' bottles and cans. What a fantastic offer of support!

Kind Regards

Liza Duncan
Principal ☺

So much fun with 'Handimals'!

K-1-2 KIRRALONG CLASS ROOM

So many wonderful opportunities have occurred during the last few weeks.

We have welcomed Mrs Kell to our classroom and look forward to having her work with us on Fridays.

We have had two more wonderful Kinder Start sessions with Maddie and Jonny. Our current Kindergarten and Year 1 students work together on lots of fun activities while our Year 2 students get a taste of 'Primary' with Ms Grahame. I know we are all looking forward to our last session next week and can't wait for Kinder Orientation later in the year.

We also had the most amazing time with Jo, teaching us all about the importance of looking after and respecting animals before helping the class create their very own 'Handimals' hand art.

We are introducing flexible learning spaces into our classroom which the students are experimenting with. The idea for this is to provide many seating options for students while they are learning. This means having different types of seats like cushions, felt blocks, stools, and also stand-up desks and lap tables, alongside traditional desks and chairs. Flexible seating allows students the freedom to choose where they sit as an option to control the physical environment in which they work best. We are very fortunate to have Ms Duncan support this concept by providing us with the resources needed. Feel free to come into the classroom and have a look around at our learning spaces.
